- Following my registration of the Pavilion Kitchen with Food and Safety, I received a phone call from Breckland confirming that we do not actually need a food safety certificate or inspection as we will not be selling food out of the Pavilion and it will not be used on a constant basis. If this changes I will make sure to register again.
- I can confirm that I have sent the Certificate of Exemption to PKF Littlejohn and they have acknowledged receipt. All end of year paperwork is posted on the website to comply with regulations.
- The last few weeks I have spent some time on our website. I have updated it to reflect more current information and worked on making it more user friendly. Please have a look and let me know if you have any suggestions on how to make it better.
- I sent off a submission to Breckland monitoring officer with some concerns from a former councillor. I have been in correspondence with an officer, discussing particulars, but have not received any official response as of yet.
- I have requested official quotes for the car park, but am waiting to hear back
